

Become Board Certified In Your Natural Health Profession

The Washington Institute of Natural Medicine is proud to announce that it will be offering Board Certification to all its students and graduates through the

National Association of Drugless Practitioners

The types of Board Certifications available are:

Board Certified Holistic Health Practitioner

Board Certified Acupressure Practitioner

Board Certified Nutritional Consultant

Board Certified Herbalist

Board Certified Aromatherapy Practitioner

Board Certified Integrative Homeopath

Board Certified Naturopath

Board Certified Naturopathologist

Just imagine having a board certification credential on your flyers and brochures and the additional respect and recognition you will receive from it.

The Board Certification exams will take between one and two hours and will be proctored by one of our long time teachers. Feel free to call and ask questions.

Fee: \$275.00
